

STATEMENT OF WORK

Project Title: Application Development Services

Consultant: Naresh Kumar Raj Kumar

PAN: HJWPK3331J

Address: Mattaur, Sector 70, Sahibzada Ajit Singh Nagar, Punjab 160071

Contracting Party: HiFour Technologies Pvt Ltd

Effective Date: Feb 16, 2026

Duration: 3 Months (Feb 16, 2026 - April 30, 2026)

Rate: Rs. 1,11,250 per month

1. PROJECT OVERVIEW

This Statement of Work (SOW) defines the scope, responsibilities, and terms for providing general full stack development services. The engagement focuses on designing, developing, enhancing, and maintaining software applications, automation tools, backend services and frontend services and related technologies.

The objective is to deliver scalable, maintainable, and high-quality software solutions aligned with business requirements and industry best practices.

2. SCOPE OF WORK

2.1 Development Services

The Consultant will provide full stack development services, which may include:

- Backend application development using Python
- Development of RESTful APIs and microservices
- Data processing, automation scripts, and ETL pipelines
- Frontend UI development as warranted
- System integrations with third-party APIs and services
- Performance optimization and code refactoring
- Bug fixing, troubleshooting, and maintenance
- Unit testing and code reviews
- Documentation of code and technical components
- Deployment support and environment configuration

2.2 Technology Stack (Typical)

- Programming Language: Python, TailwindCSS, Javascript
- Frameworks: FastAPI / Flask / Django (as applicable)
- APIs: RESTful API development
- Databases: PostgreSQL / MySQL / SQL Server / NoSQL
- Data Processing: Pandas, NumPy, ETL tools
- Cloud Platforms: AWS / Azure
- Version Control: Git
- DevOps: Docker / CI-CD pipelines (if applicable)

2.3 Security & Best Practices

- Secure coding practices
- Role-based access where required
- Data protection and encryption standards
- Logging and error handling
- Compliance with internal development standards

HiFour Technologies Private Limited

S-03, 9th Floor, Olympia Platina, Plot No:33-B, South Phase,
Guindy Industrial Estate, Chennai, Tamil Nadu 600032
Phone: +91 81226 59666

3. PROJECT APPROACH

3.1 Discovery & Planning

- Understand functional and technical requirements
- Define architecture and solution approach
- Review integrations and dependencies

3.2 Design

- System architecture and data flow design
- API and database schema planning
- Technical documentation preparation

3.3 Development

- Implementation of backend services and modules
- API creation and integrations
- Automation and data workflows

3.4 Testing

- Unit testing and functional validation
- Integration testing
- Bug fixing and performance tuning

3.5 Deployment & Support

- Deployment assistance
- Environment configuration
- Post-deployment stabilization

4. DELIVERABLES

Deliverables may include, but are not limited to:

- Source code repositories
- Python modules and backend services
- REST APIs and integration components
- Automation scripts and ETL workflows
- UI modules and frontend services
- Technical documentation
- Deployment configurations
- Test cases and test reports

Note: Specific deliverables will be defined based on project requirements.

5. PAYMENT TERMS

Services will be billed at Rs. 1,11,250 per month. Invoices will be submitted monthly based on actual hours worked and should not exceed 40 hrs a week, with detailed time logs attached. Payment is due within 30 days of invoice receipt.

HiFour Technologies Pvt Ltd reserves the right to withhold payment for any deliverables that do not meet the agreed-upon acceptance criteria until such deliverables are corrected to meet specifications.

6. ACCEPTANCE CRITERIA

HiFour Technologies Private Limited

S-03, 9th Floor, Olympia Platina, Plot No:33-B, South Phase,
Guindy Industrial Estate, Chennai, Tamil Nadu 600032
Phone: +91 81226 59666

- All deliverables must meet the design and functional specifications agreed upon during the discovery phase
- All features must pass Quality Assurance (QA) and User Acceptance Testing (UAT) before milestone sign-off
- Code must be clean, well-documented, and follow industry best practices
- Accessibility and performance benchmarks must meet agreed standards
- All security and compliance requirements (including HIPAA) must be fully met

7. ASSUMPTIONS & DEPENDENCIES

- Client will provide timely access to required systems and environments
- Requirements and feedback will be provided promptly
- Third-party services and APIs are available and functional
- Any scope changes will follow the Change Control process

8. COMMUNICATION & REPORTING

- Weekly progress reports summarizing completed work, hours spent, and upcoming tasks
- Milestone reviews and demonstrations as each phase is completed
- Project tracking via shared collaboration tools (e.g., Jira, Microsoft Teams, Google Chat)
- End-of-milestone summary reports including hours worked, deliverables completed, and next steps

9. WARRANTY & SUPPORT

The Consultant will provide a 30-day warranty period following the final deployment. During this period, the Consultant will address any bugs, defects, or issues in the delivered software at no additional cost, provided such issues are directly related to the work performed under this SOW and are not caused by modifications made by HiFour Technologies, the End Client, or third parties.

10. INTELLECTUAL PROPERTY & CONFIDENTIALITY

10.1 Work Product Ownership

All work products, including but not limited to design assets, source code, documentation, technical specifications, and deliverables created by the Consultant under this SOW (collectively, the "Work Product"), shall be considered "work made for hire" under applicable copyright law. To the extent any Work Product does not qualify as work made for hire, the Consultant hereby irrevocably assigns to HiFour Technologies all right, title, and interest in and to the Work Product, including all intellectual property rights therein.

10.2 Third-Party Components

The Consultant shall not incorporate any third-party intellectual property, open-source software, or licensed materials into the Work Product without prior written approval from HiFour Technologies. Any approved third-party components must be properly documented with their respective licenses.

10.3 Confidentiality

The Consultant acknowledges that during the course of this engagement, they may have access to confidential and proprietary information of HiFour Technologies and the End Client, including but not limited to business processes, technical specifications, patient health information (PHI), and trade secrets (collectively, "Confidential Information"). The Consultant agrees to:

- Maintain the confidentiality of all Confidential Information

HiFour Technologies Private Limited

S-03, 9th Floor, Olympia Platina, Plot No:33-B, South Phase,
Guindy Industrial Estate, Chennai, Tamil Nadu 600032
Phone: +91 81226 59666

- Use Confidential Information solely for the purpose of performing services under this SOW
- Not disclose Confidential Information to any third party without prior written consent from HiFour Technologies
- Return or destroy all Confidential Information upon termination or completion of this SOW

10.4 Non-Use and Non-Disclosure

The Consultant shall not reuse, repurpose, share, showcase, or post publicly (including in portfolios, promotional materials, social media, or any public forum) any Work Product, prototypes, designs, code, or other materials created under this SOW without prior written approval from HiFour Technologies. This restriction applies during the term of this SOW and indefinitely thereafter.

11. LIMITATION OF LIABILITY

The Consultant's total liability for any claims arising out of or related to this SOW shall not exceed the total fees paid to the Consultant under this SOW. In no event shall the Consultant be liable for any indirect, incidental, consequential, special, or punitive damages.

HiFour Technologies and the End Client shall indemnify and hold the Consultant harmless from any claims, damages, or liabilities arising from: (a) the End Client's use of the Work Product; (b) modifications to the Work Product made by parties other than the Consultant; or (c) the End Client's failure to comply with applicable laws and regulations.

12. INDEPENDENT CONTRACTOR

The Consultant is engaged as an independent contractor and not as an employee, partner, or agent of HiFour Technologies or the End Client. The Consultant shall be solely responsible for all taxes, insurance, and benefits related to their compensation under this SOW.

13. CHANGE CONTROL

Any changes to the scope, deliverables, timeline, or budget outlined in this SOW must be documented in a written Change Request and approved by both parties before implementation. Change Requests will include:

- Description of the proposed change
- Impact on project scope, timeline, and cost
- Revised delivery dates and payment terms
- Signatures from both parties acknowledging acceptance

14. TERMINATION

14.1 Termination for Convenience

Either party may terminate this SOW at any time, for any reason or no reason, upon providing seven (7) days' written notice to the other party. In the event of termination for convenience:

- HiFour Technologies shall pay the Consultant for all hours worked and expenses incurred up to the effective date of termination
- The Consultant shall deliver all completed and in-progress work product to HiFour Technologies
- All Confidential Information must be returned or destroyed within 7 days of termination

14.2 Termination for Cause

HiFour Technologies Private Limited

S-03, 9th Floor, Olympia Platina, Plot No:33-B, South Phase,
Guindy Industrial Estate, Chennai, Tamil Nadu 600032
Phone: +91 81226 59666

HiFour Technologies may terminate this SOW immediately, without notice, if:

- The Consultant fails to deliver work product that meets the acceptance criteria outlined in Section 6
- The Consultant breaches any material term of this SOW, including confidentiality or intellectual property provisions
- The Consultant fails to perform services in a professional and timely manner
- The Consultant engages in any conduct that is harmful to HiFour Technologies or the End Client

In the event of termination for cause, HiFour Technologies shall only be obligated to pay for work that has been completed and accepted prior to the termination date.

14.3 Effect of Termination

Upon termination of this SOW for any reason, Sections 10 (Intellectual Property & Confidentiality), 11 (Limitation of Liability), and 15 (Governing Law) shall survive and remain in full force and effect.

15. GOVERNING LAW & DISPUTE RESOLUTION

This SOW shall be governed by and construed in accordance with the laws of India. Any disputes arising out of or related to this SOW shall first be attempted to be resolved through good faith negotiation between the parties. If the dispute cannot be resolved within 30 days, either party may pursue resolution through binding arbitration in accordance with the Arbitration and Conciliation Act, 1996, with the seat of arbitration in [Chennai India].

16. ENTIRE AGREEMENT

This SOW, together with any exhibits, schedules, or amendments executed by both parties, constitutes the entire agreement between the parties and supersedes all prior negotiations, understandings, and agreements, whether written or oral, relating to the subject matter hereof.

17. APPROVAL & SIGN-OFF

By signing below, both parties acknowledge that they have read, understood, and agree to be bound by the terms and conditions set forth in this Statement of Work.
